

Northern Virginia Regional Commission

RESOLUTION

Resolution No. 19-09

PATRON: Robert W. Lazaro, Jr.
Executive Director

DATE: November 29, 2018

AUTHORIZATION TO SUBMIT COMMENTS TO STATE CORPORATION COMMISSION ON MATTERS CONCERNING DOMINION ENERGY'S DEMAND SIDE MANAGEMENT PROGRAM PROPOSALS

WHEREAS, the Northern Virginia Regional Commission (NVRC) has prioritized the development and application of energy efficient programs and policies to make Northern Virginia more economically competitive, environmentally resilient and socially inclusive;

WHEREAS, Dominion Energy has filed with the Virginia State Corporation Commission (SCC) for approval to implement 11 new demand-side management programs for implementation across the Commonwealth of Virginia in their service territory;

WHEREAS, demand-side management programs from Dominion Energy affecting the Northern Virginia Region include a variety of technology innovations such as the installation and use of smart meters, smart thermostats, and other "smart" technologies that reliably promote energy efficiency;

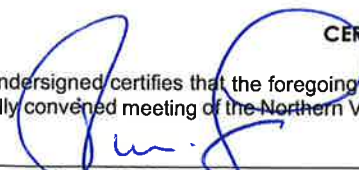

WHEREAS, according to Advanced Energy Economy Virginia, over 90,000 Virginians are already employed in the energy efficiency and clean energy markets with nearly 40% of those employed in Northern Virginia;

THEREFORE BE IT RESOLVED, that the Executive Director of the Northern Virginia Regional Commission is authorized to craft, sign and dispatch a letter containing comments to the SCC related to Dominion Energy's Demand-Side management programs to enhance and strengthen energy efficiency programs overseen by Dominion Energy.

CERTIFICATION

The undersigned certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Northern Virginia Regional Commission on November 29, 2018.
