

## RESOLUTION

Resolution No. 22-1

PATRON: Cydny A. Neville  
Chairwoman  
DATE: July 22, 2021

### AUTHORIZATION FOR SUPPORT OF 100 MW SOLAR AND 50MW STORAGE PROJECT

WHEREAS, the Northern Virginia Regional Commission (NVRC) has long supported and prioritized the development and application of renewable energy to mitigate the effects of greenhouse gas emissions;

WHEREAS, the Virginia Clean Economy Act calls for the development of 16,100 megawatts of solar and 2,700 megawatts of energy storage;

WHEREAS, the Commonwealth is committed through the Virginia Clean Economy Act to 100% carbon free electricity generation by 2045 in Dominion Energy's service territory;

WHEREAS, the region is committed to reducing greenhouse gas emissions by 50% below 2005 levels by 2030 and 80% below 2005 levels by 2050;

WHEREAS, Dominion Energy has filed with the Virginia State Corporation Commission (SCC) for approval to construct 100 megawatts of solar generation and 50 megawatts of storage at Dulles International Airport;

WHEREAS, the U.S. Environmental Protection Agency assesses that the application of 100 megawatts of solar energy annually reduces the equivalent of 164.5 metric tons of carbon dioxide;

WHEREAS, the SCC has issued its request for comments with a bearing on this project no later than August 6, 2021;

THEREFORE BE IT RESOLVED, the Northern Virginia Regional Commission communicates its support to the SCC of the development and utilization of solar generation and storage at Dulles International Airport.

#### CERTIFICATION

The undersigned certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Northern Virginia Regional Commission on July 22, 2021.
